REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested in the above-identified patent.

The following errors have been made:

In the Application Data Sheet, as filed on January 4, 2002, the foreign priority filing date was given as --January 8, 2001-- but was incorrectly changed to "August 1, 2001" in item [30], front cover of the issued patent.

In Claim 18, line 3, as amended on July 28, 2003, --the first high-voltage region-- was incorrectly changed to "the high-voltage region" in Claim 18, column 9, lines 22 and 23 of the issued patent.

Attached is form PTO/SB/44, which indicates the corrections to be made, by reference to the column and line numbers in the printed patent. Because the errors were made by the Patent Office, no fee is necessary. However if they are determined to be our errors, the

Commissioner is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,
SEED Intellectual Property Law Group PLLC
